Title 1959 Oldsmobile Super 88 Holiday Scen

Artist Car Culture

Photo by Photography

Description If manna is from heaven, what is the divine source of this 1959 Oldsmobile Super 88 Holiday Scenemobile? The Art Deco inspired White Manne Hamburgers drive-in was originally built for the 1932 World's Fair to give visitors a futuristic look at fast food.

Title 1951 Buick Lesabre Concept

Artist Car Culture

Medium Photograph - Photography

Description Although the 1951 LeSabre concept car was a showpiece, it was also an engineering masterpiece, with advanced aluminum and magnesium construction. Other features included fuel injection, built-in hydraulic jacks, and a rain-activated rolling top. It is estimated six spent upwards of 10 million dollars producing this rolling engineering laboratory.

A red vintage car, possibly a 1950s MG MGA, is shown from a rear three-quarter angle driving on a snow-covered road. The car is decorated with a large arrangement of red and green flowers on its roof. The background consists of tall evergreen trees with some autumn-colored foliage. The overall scene is a classic holiday setting.

Title: 1902 Capitol Steamer

Artist: Car Culture

Medium: Photograph - Photography

Description: Couple the modern plumbing devices of the time with this horseless buggy and you have the 1902 Capitol Steamer. With its four-cylinder motor, the steamer up the ascensional gradient of 1800 could claim an easy speed victory at 1000 ft per minute. Its lightweight chassis featured constant rear-wheel torque.

Title: 1963 Chevrolet Corvette Stingray Coupe

Artist: Car Culture

Medium: Photograph - Photography

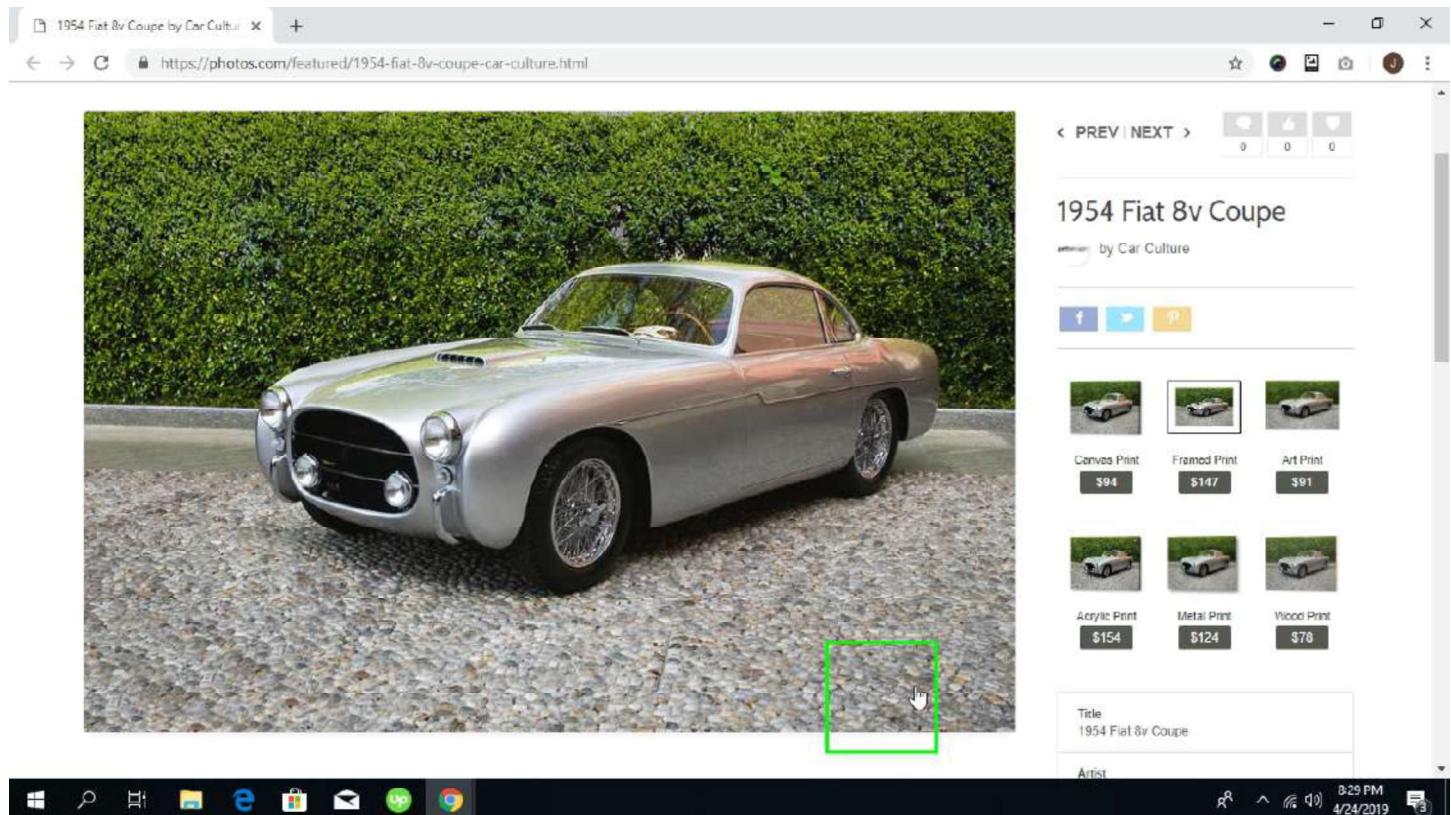

Description: The 1963 Chevrolet Corvette Stingray Coupe was, apart from the engine, a completely new car. Extensively tested in a wind tunnel, the sleek, distinctive shape has now become an automotive classic. The 1963-

2006 Saleen S7

By Car Culture

Canvas Print \$94 Instant Print \$147 Art Print \$91

Acrylic Print \$104 Metal Print \$149 Wood Print \$91

Title: 2006 Saleen S7

Artist: Car Culture

Medium: Photograph - Photoprint

Description:

1997: 750 horsepower and 760 lb-ft of torque from a supercharged V-8 engine. It can go from 0 to 60 mph in 3.8 seconds, going from 0 to 100 in under 8.8 seconds. Its aerodynamic body shape has a chassis (body) coefficient of 0.28. The Saleen S7 is considered one of the most advanced cars on the road.
